

FLYING FISH WINERY

Craft winemaking with "PURE" Attitude!

Hello!

We are very excited to be sending you this letter to remind you that wine making season is just around the corner!
We are currently preparing our order for grapes and wine juice from California.

Please find enclosed, our order form for the 2018 California Grape and Wine Juice Harvest.

We have also enclosed an order form for other ingredients or equipment you might need.
If there is something you require, but do not see it on the list, please contact us and we can get you pricing.

Receive 10% OFF your supplies

by pre-ordering them with your grapes and juices.
We will have them all ready to go when you come to pick up your shipment.

As always, in order to guarantee prompt shipping while the products are at their peak, we must order the varieties in full pallets. These full pallets cannot be broken down to fill small orders.
Therefore, we may ask you to supply us with an alternative choice.

Great News! We have secured freezer space that will be available to use this year!

The cost will depend on how many people are interested.

The facility is off site and does charge per month and per pick up.

If you are interested, please let us know **as soon as possible** approximately how many pails you would like to store and for how long, once we know numbers, we will have prices.

A 50% deposit will be due at time of ordering.

The 50% will be based on last years pricing, *and if needed*, will be adjusted, once we have the pricing for the 2018 harvest. The remainder of the cost will be paid upon pick up of your products once they have arrived.

We request that all orders be received by 3:00 PM Saturday August 18th, 2018.

We accept Cash, Cheque, Debit, Visa and MC.

Please place your orders in person (we would love to meet you!) or via phone or email.

We will phone you to confirm all orders once we have exact quantities and prices from our suppliers.

Once we have a delivery date, we will contact you. At that time we will be booking pick up times to remain as organized as possible. We request that you please ensure prompt pick up as we have many orders to fill.

If you have any questions, please don't hesitate to contact us! We will be happy to help!

We look forward to hearing from you soon!

Cheers!
